

# COVID Vaccination Resources

## Champaign County

### **CUPH Press Releases**

This is where CUPH announces local vaccination clinics, gives sign up links, and announces opening of new groups.

<https://www.c-uphd.org/press-release.html>

### **CUPH Vaccination Dashboard**

This is the general dashboard with some vaccine Q&A and a graphic showing the stages of vaccination eligibility.

<https://www.c-uphd.org/covid-vaccinations.html>

### **Christie Clinic Vaccine Dashboard**

This is the vaccine info page for Christie Clinic. If you scroll down, you can see that they opened clinics for the week of March 1, though these are now full. It does seem like they are getting more regular supply of vaccine, so keep checking this website for new links.

<https://www.christieclinic.com/about/covid-19-vaccination/>

You can also call their COVID vaccine information line at 217-366-4070

### **Meijer Vaccine Registration**

Meijer is currently taking registration for the COVID vaccine. You can submit your information and a desired location (one location only) and they will contact you when they have a dose available for you.

<https://clinic.meijer.com/>

### **Carle Vaccine Dashboard**

This is Carle's general page for vaccine information. I have not seen recent links to sign up for vaccination but they have gone out before, so keep your eyes peeled.

<https://carle.org/home/covid-19-resources/covid-19-vaccine-information>

### **State of Illinois Clinic Lookup**

Here you can look up vaccination sites near you by entering your zip code, city, and desired radius.

<https://coronavirus.illinois.gov/s/vaccination-location>

### **Walgreens Vaccine Dashboard**

Here you can make a Walgreens account and fill out a short screening for your eligibility. If you qualify, you can then search your zipcode for local clinics. I got a tip that clinics are on Fridays

and Saturdays and sign up opens about 3 days before-hand. Tuesday evening is evidently when you should be refreshing this page.
